Where processing is based on consent, the controller shall be able to demonstrate within forty-eight (48) hours of a request that the data subject has consented to their personal data being processed.

The Client shall have 24 hours from the date on which it receives such information to object thereto. Sub-processing is only possible where the Client has not objected thereto within the agreed timeframe.

The Client authorises Bilendi to transfer personal data to any third party outside the EEA, (i) which ensures an adequate level of data protection or (ii) which does not ensure an adequate level of data protection, provided that (a) Bilendi provides appropriate safeguards (such as standard data protection clauses adopted by the EU) or (b) the transfer is based on a legal or regulatory derogation.

The Client hereby grants a mandate to Bilendi to conclude the controller to processor standard contractual clauses based on the EU Commission's decision C(2010)593 (or as updated or replaced from time to time) with Sub-Processors, in the name and on behalf of Client (as controller) or, if applicable, on behalf of Client's affiliates or clients (as controller).
