In the first quarter of 2023, Bilendi recorded revenues of €13.8 million, up +3.0% compared to the first quarter of 2022. Excluding the impact of exchange rates, growth was +4.4%.

This change in activity in the first quarter of 2023 is all the more notable as it includes:

- A demanding benchmark with a first quarter 2022 that recorded strong revenue growth of +52.0% (+50.6% at constant exchange rates and +13.7% on a pro forma basis);
- A gradual start to activity during the quarter, with the first two months still adversely affected by the economic context, and a stronger month of March.

Internationally, business was dynamic, with revenues of €10.6 million, up 5.5% (+7.4% at constant exchange rates). In France, revenues amounted to €3.2 million, down slightly by -4.5%.

Objectives reaffirmed by 2026

In addition, Bilendi reaffirms its aggressive growth strategy, combining organic developments and targeted acquisitions, with the objective of reaching revenues of €100 million by 2026, and an EBITDA of 20% to 25% of revenues, i.e. €20 to 25 million.

Next publication: first-half 2023 revenues, 25th July, 2023 (after market close)
